How to reach my child's

teacher for a conference:

To reach your child's teacher for a conference or to receive a phone call from the teacher, the staff at the Front Desk will be happy to give you your child's teacher's email address and phone extension. Unfortunately, the staff cannot schedule a time for you to see the teacher. You must contact the teacher directly, but our staff will be happy to assist you with that contact. **CPS Board Policy states that a teacher must have 24 hours notice prior to a classroom visit being granted.** We do not permit parents/guardians to drop in. We apologize for the inconvenience.

Grade Level Team Leaders:

7th – Mindy Muddiman

8th – John Hiatt

9th – Deon Edwards

10th – Kim Hummons

11th/12th – Al Shumar

How do I update my address and phone number?

It is extremely important to keep contact information updated at all times. To update your address, please provide documentation for proof of residence, such as a Lease Agreement or Duke Energy bill. Ms. Voncell Zellars (363-6704), our PowerSchool Coordinator will be happy to assist you with updating your child's records.

Aiken Uniform Policy:

Collared Aiken uniform shirt must be worn on the outside of other outer garments at all times. Only the Aiken uniform sweatshirt may be worn over the collared uniform shirt. Khaki pants, with no rips. Slides are not permitted. **Students are not permitted into the building when out of uniform without administrative permission, or on approved "Out of Uniform" days. Out of uniform students will be subject to disciplinary action.**
